"ISN'T LIFE TERRIBLE?"

By Hal E. Roach.

Charley wins a contest selling fountain pens, the prize being a choice between a camping trip and an ocean voyage. He, his wife, small daughter, and brother-in-law take the sea trip. The boat leaks, the life boats are made of paper, the life preservers sink, but they finally manage to reach port. They can't get in the country unless they are vaccinated. The brother-in-law makes them all start back because he hasn't been. However, he breaks his leg and they have to shoot him, so all ends well.
